BUT WHAT IF THERE'S AN EMERGENCY? The chaperones and/or the school will get in touch with you if there is an emergency. If parents have an emergency, call the school.

We will put you in touch with the right people.

The phones will be returned on the last morning of camp so they can be charged for the trip home. Students will be able to text parents their approximate arrival time back to the school.

Thank you for understand that the phones are a major distraction, and we don't want your student to miss the growth and bonding that God has in store for them.
