

6th - 8th Grade Outdoor Education Camp May 23-26, 2017

We are scheduled to attend the High Sierra Outdoor Institute camp over four days, leaving early on Tuesday May 23 and returning Friday afternoon, May 26. The camp is located just outside of Nevada City, CA at Camp Del Oro. Over the years it has been a wonderful growing experience for students who have attended. There are team building activities, chapel times, rope course challenges, outdoor education classes, and games.

The cost this year is \$300.00 for the four days including meals, lodging, transportation, the science journal, and the ropes course fee. We need to pay a deposit to High Sierra Outdoor Institute and give them an accurate count of students so they can plan accordingly. **Please return this form and a deposit of \$50.00 per student attending by March 30.** Forms should be turned in to the office or to the student's teacher (sixth grade to Ms. Fehr; middle school to Mrs. Green or Mrs. Kovach). The balance for camp will be due May 15, 2017. You may make partial payments prior to May 15.

We will be doing fundraising activities to help offset all or part of the camp costs.

Students not attending camp will be attending school and will be given assignments to complete.

We also need both male and female chaperones. If you would like to chaperone, the cost is \$210.00.

If you have any questions, please contact Mr. Ryan at 356-9995 or email at: dave.ryan@excelchristianschool.com
