Is your child on the list?

Registration is filling up, and some classes are already full. We don't like to turn away students who are already Excel family, but we might have to if you haven't registered your child. To guarantee your child's spot for next year, please complete a registration packet and turn it in at the front desk along with a \$200 registration deposit. Please feel free to call the office if you have any questions.

Total registration balance due: May 11, 2018

Attention Excel Families Senior Class of 2019 FUNDrive

Last chance to donate for this drive is today and Saturday. If you have had the chance to do a clean-out, please bring your donations to Excel starting now, until 1:00pm Saturday, May 5, 2018. We have collected roughly 50 bags and 20 boxes so far.

If you see a yard sale around your neighborhood ask them if they want to donate their stuff.

The more we can donate, the more the 2019 Seniors earn toward their mission trip.

Our Goal: 400 bags/boxes of stuff to donate.

High School Camp XLR8

The high school students traveled to Old Oak Ranch April 30-May3. Mrs. Cross was able to ask a few students to share about their favorite thing at camp and here is what they said:

"My favorite part was seeing how open people were to each other and to God." - A

"I loved the people and how close we all got. I loved everything from the food to the workday!" - S

"Getting to hang out with the seniors was more fun than I thought it would be!" - T

"The high ropes course. Everyone was cheering you on and you felt like you were on top of the world." - E

"Having my phone taken away. At first I thought it was fine, but then I realized how many basic functions we relied on our phones for (clock, camera, weather...) I did complain, but then it turned out to be the best part of camp. It forced us to talk to people we never would have before, and to step out of our box of friends. I played games with juniors and seniors for an hour which is something I never imagined doing. We were away from all the stress and we connected with a whole new family." - L

"We all know each other better." -Anonymous

"The last night of worship. Even people who I didn't expect to get involved, did." - H

"The paintball was fun and talking with each other after chapels was good." - J

Alumni Spotlight

Seongyun Cho
Class of 2012

After graduating from high school, Seongyun enrolled at UNR to begin his studies in Civil Engineering. He left to do his 2 years of mandatory service with the Korean army, but is now back at UNR. He will graduate in December of 2018.

Thoughts on Excel: When I think back to high school, I appreciate how Excel allowed me to experience so many things as an International student. I never felt discriminated against, and I appreciated the Christian atmosphere. I am thankful to be an alumnus of Excel.
