Please Help!!

Save for September

We are STILL in need of a garage/storage space to store items for our next FUNDrive event in September. You can also help our upcoming Seniors by finding those left-overs at yard sales around your community and hang on to those items until we locate a storage space.

Alumni Spotlight

Colby Cross
Class of 2010

Colby graduated from UNR with his Bachelor's degree in Accounting. After passing the CPA exams and working as an accountant, he decided it wasn't the career path for him after all. He has returned to UNR to take the prerequisite courses for a career in medicine. Voted Excel's Most Outstanding Athlete his senior year, Colby continues to enjoy his favorite sport of basketball and enjoys coaching Excel's Varsity Boys' Basketball Team.

Thoughts on Excel: *I enjoyed my time at Excel and am proud of my education. I'm excited for the day when I can tell people where I went to high school, and they will actually know the school name!*
